## **Arrival, Dismissal, Parking Lot Issues**

We appreciate your willingness to try new ways to make arrival and dismissal safe for all students and staff. Based on recent community feedback, Ms. McKay sent a message to you last week outlining our modified dismissal process.

Unfortunately, we are unable to utilize our SRO for traffic duty. If your child has a bus provided for them, please encourage them to use it. Having less car traffic on Moores Mill Road and on our campus would help alleviate some of problems we are experiencing.

Again, thank you for your patience and please forward ideas to Ms. McKay at [melissa.mckay@hcps.org](mailto:melissa.mckay@hcps.org).
